

Exhibitor Kit & Drayage Services:

Steele Tradeshow Services is CTOTF's recommended provider – however, exhibitors can choose their own provider.

Steele Tradeshow Services will send each exhibitor an online link for the exhibitor kit.

If you do not receive the Exhibitor Kit or have any questions that are unresolved, please contact Rico Ibanez at rico@steeletradeshows.com or by phone at 760-883-0514.

Alternatively, you can contact Ivy Suter at ivysuter@ctotf.org or 586-242-4969 if you need help or are not getting a response.
